- **READ EACH OFFER CAREFULLY** for any conditions, restrictions and exclusions. When an offer has additional stated conditions, those conditions supersede the Rules of Use.
- Present your coupon and/or mobile device to a participating merchant at the time you request your bill.
- The merchant will retain your printed coupon. Or, for mobile offers, you will be asked to show your phone when redeeming.
- Discounts exclude tax, tip and/or alcohol unless expressly stated otherwise and allowed by law.
- Printable offers from the www.diningadvantage.com site expire 14 days from the date that the member printed the offer or as stated on the coupon. Mobile offers are valid for ten minutes from the redemption being completed.

- One printed coupon or mobile offer may be used for every two people. Up to three printed coupons, or mobile offers may be used per party unless the offer states otherwise.
- Some offers state that they allow 1–4 people; others up to 8. When an offer is for a specific percentage off the total dining bill, one bill per table will be totaled and only one coupon/mobile offer per table is allowed.
- Offers are subject to the maximum dollar value stated. The least expensive item(s), up to the maximum value stated, will be deducted from your bill, or you will receive a percentage off the designated item(s), up to the maximum value stated.
- When dining, tipping for satisfactory service should be 15–20% of the total bill before the discount amount is subtracted.
- For restaurants offering a complimentary “menu item” when a second is purchased, a “menu item” is a main course or entrée item.
- Dining offers are not valid on children’s menu items, discount-priced daily specials, senior citizen rates, early bird specials, carryout/takeout, and buffets unless otherwise noted.
