2019 & Prior Street Triple	X
2019 & Prior Speed Triple	X

When an eligible model-year 2019 or prior Triumph Tiger 1200 or Explorer is sold, Triumph will credit dealer parts account for the standard dealer net value (\$845) of the two-piece silver pannier set and mounting kit. Orders WILL NOT be automatically issued by Triumph. Dealers are free to pull panniers from stock or order if needed. If a dealer chooses to use pannier credit towards the sale of an eligible model, the Bill of Sale MUST be signed by the customer acknowledging their use of the 2020 Triumph Spring Unchained pannier offer amount towards the price of the motorcycle.

PLEASE NOTE: *Special financing rates available only to qualified customers. On models offering either Triumph Cash or special financing, customer can only receive their choice of one of these offers. Audits performed monthly that reveal a customer received more than one incentive offer will result in billing back of the cash value to the dealer. When dealer accounts are credited for valid Triumph Cash redemption, dealer accounts will be credited at 100% cash value.*
